IA Screening Timeline

New Suitability Requirements

- MILPERSMAN 1300-318 and BUMEDINST 1300.3 direct that the Expeditionary Combat Readiness Command (ECRC) checklist be replaced by the Expeditionary Screening checklist
- This is a requirement for all IAs
- Sailors that have reported to NMPS prior to 20 Jul 2009 who have already begun using the old ECRC checklist are exempt from this requirement
